Action

For two decades the ACLJ has successfully preserved our freedom and liberty. They are the counterpoint to the extremely liberal ACLU. Their most recent victory was the 9-0 Supreme Court decision stating that states may not remove candidates from federal election ballots. This organization relies on tax-deductible gifts to continue their important work. It is a trustworthy organization that every concerned Christian should consider regularly supporting or giving a one time financial gift. Use this link to read about them in greater detail.

Prayer

Please pray for wisdom for the U.S. Senate as to whether they should pass a bill that would force TikTok's Chinese owner to sell the app or see it banned in the U.S. President Biden has already said that he would sign the bill if the Senate were to pass it. However there are concerns about government overreach and freedom of speech as well as some possible violations to existing laws.
